

4 Corners Activity:

Group presentation of Digestive Enzymes - You teach the class!

Amylase, Lipase, Pepsin (protease)

Bile

HCl

Insulin

1. What is it? (an acid, enzyme, emulsifier, hormone?)
2. Where in the GI tract is it? (know the body structure that produces it and where it goes)
3. What does it do?
4. Which textbook page or slide (chapter 15 ppt) or online source did you find the info?

3rd period Group Grade:

| | | | | | |
|---|--|--|--|--|--|
| | | | | | |
| What is it? | | | | | |
| Where? | | | | | |
| What does it do? | | | | | |
| Online sources <input type="checkbox"/> Textbook <input type="checkbox"/> Slides <input type="checkbox"/> online | | | | | |

| | | | | | |
